

Drivers Needed

Did you know the simple act of driving can help cancer patients in your community?

Transportation to treatment is just one of many challenges that some cancer patients face on their road to recovery. You can help provide rides to life-saving treatment appointments.

Become a driver today for the:
PEI Cancer Services Volunteer Driving Program

Do you?

- Have a clean driving record?
- Own a safe and reliable vehicle?
- Want to give back to cancer patients in PEI?
